Employee Recognition

Congratulations to the following faculty and staff who have been recognized by a member of our campus community for strengthening our institutional culture and modeling WSU values.

Christina Hockenberry, Christa Cervone, & Jennifer Noess *Registrar's Office*

I just wanted to do an appreciation of Christina Hockenberry and Christa Cervone and Jennifer Noess in our Registrar's Office. They have been working flat out this last month to get all of our students registered and it's amazing the amount of work they have done. They've been helping us in Ethnic and Gender Studies create internships and independent studies and all kinds of courses to meet students and especially Seniors needs. Just wanted to show appreciation for them to the whole campus.

Javier Ortiz *Environmental Services*

I wanted to give Javier a shoutout for all the help he has provided since we moved into Parenzo. He has gone above and beyond what I expect a maintainer to do, and he always is smiling with an anecdote or two to share.

Callie Katsounakis *Academic Affairs*

I would like to nominate Callie Katsounakis, Director of Accreditation & Special Projects, Student Affairs. Callie was a behind the scenes worker for the NECHE reaccreditation study. She is most deserving of recognition.
